

Which vacuum models are recommended by Shaw?

Shaw has conducted extensive testing as well as coordinated with vacuum manufacturers to develop a list of appropriate vacuum cleaners for use with Caress by Shaw products. These vacuums have been shown to be easy to use and have proven to be gentle enough in operation for the most luxurious of plush carpets. For more information, contact the Shaw Information Center at 1-800-441-7429. For specific product information, contact the manufacturer directly with the numbers provided below.
