## Hardwoods®

### Features

All the beauty of Canyon Crest products—with two lighter maple colors added. One is a rich, clear neutral, and the other is a crisp cedar. Both showcase the inherent variations present in a Canyon Crest vista.

These new lighter colors enhance the popular Canyon Crest Collection. The appealing rustic look is still here—but it's more subtle in this collection, so the overall feeling is more elegant.

- 8"-wide, composite solid hand-scraped
- Unique hand scraping reveals the handsomely defined grain pattern.
- Environmentally friendly: Made 100% from recycled mill by-products.
