End Description	Microbeveled

This Shaw hardwood is warranted that the face surface of this product will not peel off or wear through for 25 years from the date of purchase.

This Shaw hardwood is protected by Shaw's DuraShield™ finish, which provides superior wear resistance and lasts up to seven times longer than conventional UV coated urethane.

This Shaw product can be installed above or on ground level.

This hardwood is rated Low with low color and character variation within each box. As a standard practice, it is suggested that hardwood planks from various cartons be continually blended during installation to insure optimum appearance.

This Shaw hardwood product meets GREENGUARD indoor air quality requirements and is GREENGUARD Children & Schools Certified.
