Union Square Elite

Features

Incredibly unique—dramatic designs you haven't seen anywhere else! This artistic 7 x 36 plank floor features progressive styling in two distinctive visuals—both exclusive to this collection. This product can be installed with or without grout

Visuals:

- 1) Stained-stone—this style resembles stained concrete, but with greater texture and depth; and it's most unusual, because it's in plank format
- 2) Wood—the look is that of wood cut in horizontal planks, creating narrow bands of color and grain; the random nature and bold contrast have a lot of movement, giving an artistic graphic effect
