

Color shown is 950 Rain Forest

This Shaw product features Shaw's Luminiere™, a very special finish that gives superior visual clarity and scuff resistance to fine laminate flooring.

Belair | *laminate*

GREEN. It's something we never forget.®

Belair

Features

Achieve an inviting look with a warm, beckoning style that mimics exotic Ipe heartwood. Elegant and upscale, Belair is a deep auburn brown, with dark cocoa striping that rolls across the surface in long, even waves.

Playing up the contrast between color and grain, Shaw's Luminiere finish adds a diamond-bright sparkle.

Luminiere™...it's crystal clear.

- 57/16"-wide planks

This Shaw Laminate is warranted not to stain or wear through, will not fade as a result of direct sunlight or artificial light and will resist water damage under normal use conditions for 25 years.

This product is made with OptiCore™ - Shaw's laminate coreboard that's strong, stable and moisture resistant.

The high-gloss, forgiving laminate finish that's scratch-resistant and dramatically increases detail, realism, and beauty! Putting a highly scratch-resistant finish on top-tier laminate creates a product with enhanced durability.

This Shaw laminate is constructed using LocNPlace® technology, Shaw's single action glueless locking system which greatly enhances the speed and ease of installation while improving seam integrity.

This Shaw laminate flooring product meets GREENGUARD® indoor air quality requirements and is GREENGUARD Children & Schools Certified.

This Shaw product can be installed above, on or below ground level.

This Shaw product is made in the USA.
