

# VINTAGE HICKORY 5"

SOLID COLLECTION

Imperfection makes an object unique. Chisel marks, half-moon indentations and slight variations in color are the characteristics that give a handcrafted floor real value. It is an authentic, one-of-a-kind work of beauty just like very Virginia Vintage hand-scraped floor. While our craftsmanship makes our floors unique, our technology makes them unbelievably durable.

Color shown is Sorghum, AA241-37402  
5" Width | Hickory | 3/4" Solid  
Heavy Scraped | 50-Year Finish Warranty | Made in America
