Features

We're bringing the popular Brushed Suede look to Epic! In this updated style, we've added a color and a trend-perfect, lower-gloss finish. The renowned Epic engineering gives Loveland Pass its strength, while the artisan wire-brushing gives it great beauty and a sculptural feel. Of the 5 gorgeous colors, 4 are inspired by Brushed Suede hardwood; and a soft, fashionable grey-brown has been included to complete the offering.
