GREEN. It's something we never forget.[®]

Laminate®

Mercado

Features

The Anderson-inspired **Textured Expressions** collection is a striking pair of "hand-scraped" laminates — **Mercado** and **Bridgeview** — that draw their inspiration from Anderson's gorgeous hand-hewn hardwoods.

Mercado

- **Unique texture**—light, overall hand-scraping looks natural and upscale.
- **3.66" wide planks**—in high demand and growing, it's the hottest trend in laminate.
- **Hand-scraped + 3.66" width = a special look**, and the popularity is growing fast.
- **An Anderson visual!** Hammered Kupay is an exotic South American hickory with a dappled texture and reflective quality, like a shimmering pool of water.
- **5-Year Limited Light Commercial Warranty**

This Shaw Laminate is warranted not to stain or wear through, will not fade as a result of direct sunlight or artificial light and will resist water damage under normal use conditions for 25 years.

This product is made with OptiCore™ - Shaw's laminate coreboard that's strong, stable and moisture resistant.

These Shaw laminates are constructed using LocNPlace® technology, Shaw's single action glueless locking system which greatly enhances the speed and ease of installation while improving seam integrity.

This Shaw laminate product meets GREENGUARD® indoor air quality requirements and is GREENGUARD Children & Schools Certified.

This Shaw product can be installed above, on or below ground level.

This Shaw product is made in the USA.
